

RIO SATURDAY ■ SEPT 26TH

RALLY 2026

A D A P T I V E C Y C L I N G

Ride Together. Create Access. Build Community.

Join GO Unlimited for Rio Rally 2026, a community bike ride celebrating outdoor recreation for people of all abilities. Whether you ride an adaptive cycle, handcycle, bicycle, or simply want to support a great cause, everyone is welcome.

RIDE BEGINS: 8:00 am

LOCATION: Alameda Open Space, southeast of the Alameda Bridge, ABQ

We'll travel south along the beautiful Paseo del Bosque Trail beside the Rio Grande. The paved trail offers a comfortable ride with very little elevation change and several turnaround options, allowing everyone to choose the distance that works best for them. Riders completing the full route will enjoy an 8 mile ride to Bike In Coffee at Old Town Farm, with a total round trip distance of approximately 16 miles.

At Bike In Coffee, enjoy great food, refreshing drinks, and time with friends before heading back to Alameda Open Space. After the ride, stay for refreshments, conversation, and demonstrations of innovative adaptive cycling technology that is opening the outdoors to more people every year.

GO Unlimited has a limited number of adaptive cycles available for riders with disabilities. If you need adaptive equipment, please contact us in advance to reserve a cycle.

HELP US REACH OUR GOAL OF \$25,000

Rio Rally is more than a ride. It is an investment in a healthier, more connected community.

Funds raised will support:

- Trail accessibility assessments throughout Albuquerque.
- Trail accessibility maintenance that improves access for everyone.
- Adaptive cycling equipment available for public use.
- Community programs that introduce people with disabilities to the freedom and health benefits of outdoor recreation.

Together we are creating connected, accessible routes through the Albuquerque Bosque and Sandia Foothills where people of all ages and abilities can explore, exercise, and belong.

Every contribution helps remove barriers, expand opportunity, and strengthen our community. Your participation and support make it possible for someone to experience the outdoors in ways they never thought possible.
